

AUTORIZACION CLASES DE REFUERZO DE ESPAÑOL

PERMISSION FOR EXTRA SPANISH CLASSES

Dear parents:

The Department of Education, Culture and Sport is continuing its reinforcement programme for the studying of Spanish. This is an extracurricular afternoon activity that is voluntary (which is why the family has to give its consent and to sign the permission slip that is attached to this letter).

This is a very important programme for the progress of your children. The Department hopes you will welcome this possibility. Naturally, the classes are free, as are the materials to be used in them.

In the first few days there will be level tests to decide on the group into which your child will go.

The pupils should arrive at their classes on the respective days punctually and should respect the established rules.
