WARNINGS:

- The LAPTOP PC is an instrument for the school activities of the pupil. It is necessary that the habits of working and studying be instilled in the children in their families. The children should be given a comfortable place to carry out their school tasks.
- The parents should state time limits for working, carefully following the instructions of the teaching staff. The parents also should make sure that the LAPTOP PC is used properly.
- The parents and their children should be very careful on the way from school to home and from home to school in order that the LAPTOP PC not be damaged.
- During the continued absence from the school centre and during the summer holidays the LAPTOP PC should be handed back to the school centre.

The family has acknowledged the warnings in a meeting with the Tutor and the Management Team of the School Centre on the above mentioned day. A LAPTOP PC N° of the brand is lent to the pupil.
